### **Section 3. Recruitment Initiatives**

<b>Type pf Recruitment Initiative</b>	<b>Brief Description of Activity</b>
Establishment of a volunteer program	We have thirteen (13) volunteers who support the activities of Radio and TV Areas.
Participation in scholarship programs designated to assist students interested in pursuing a career in broadcasting.	Six (6) universities specializing in communications have placed 37 students in the Corporation to do their student practices on radio and television. These students have acquired skills related to various roles performed in the field of broadcasting and they have contributed to the achievement of the goals of several projects of the Corporation. A private High School sent 1 student to carry out his student internship at the Corporation.
Request full time and trusted employee for Information System Department.	According to the internal regulations of the Corporation, the President selected a trusted employee to occupy the job of Information System Director.
Request full time and temporary employee under proposal law 52 for the areas of Production.	9 temporary employees were hired under the proposal of Law 52 to offer support to the production area.
